

Guilsborough School Sixth Form Opportunities Evening

**Thursday 17th November 2011
7.00-8.30 pm**

An Invitation to view our Sixth Form Offer for the coming year

Guilsborough Sixth Form warmly welcomes parents and students who are already part of the school community and those of you who would like to find out more about our values, courses and facilities for the coming year.

There will be a presentation by staff and students at 7.00 pm in the school hall, covering the full range of courses available to students. This will be followed by an opportunity to discuss individual courses in detail with subject staff.

The high academic standards

- 70% of A level results were A-C grades with 44% A-B grades and 22.5% of students achieved A/A*.
- Guilsborough Sixth Form is rated as “Excellent” in standards by the ALPS independent analysis of Sixth Form performance, over the last four years.
- Five students successfully completed Open University degree (YASS) modules.
- Three of our students secured places at Cambridge in 2011.
- Judged “outstanding” as a sixth form by OFSTED in all three inspection areas (January 2011).

Excellent facilities

- Purpose-built Sixth Form Centre, completed in 2004, including a large dedicated study room.

A great place to be (the views of students who joined us from other schools)

- “I feel that the standard of teaching is at a much higher level than I expected.”
- “I have found it very easy to make new friends and there is a really nice atmosphere in the sixth form”

Courses on offer

- We offer a wide range of A level courses, including vocational A levels
- Opportunity to study Open University (YASS) modules in the Sixth Form
- Details of our offer will be made available on our Sixth Form Website (see link below) shortly.

Please contact us for a personal interview, to spend the day with us, or a tour by students
