

# The Sixth Form at Guilsborough School

## Our mission

Guilsborough Sixth Form offers a life-changing experience and provides an exciting environment for Post 16 learning. We nurture our students as they become more successful in their academic studies, developing their character and their interactive and social skills.

## The highest academic standards

At A level 70% of our students achieved A-C grades in 2011 with 44% achieving A\*/A/ B grades; there was a 99% pass rate and 22.5% of students achieved A/A\*. The vast majority of students achieved their aims and have gone on to their chosen universities. We have sustained improvement in exam results with an upwards trend over recent years and excellent 'value added' outcomes for students of all abilities who make outstanding progress – this places us in the top 10% of schools nationally. We are also proud of the percentage of students at our school who achieve places at Oxford or Cambridge University – this puts us in the top 10% of state schools.

The quality of teaching and learning in Guilsborough Sixth Form, measured independently by the ALPS T-Score (shown left), is category 3-4 (Excellent).

## Access to the best Universities

Over 80% of Guilsborough sixth formers go on to higher education. During recent years, we have seen a steady stream of successful applicants to the best universities. We have links with St. Hugh's College Oxford and Pembroke College Cambridge and take students on regular university visits to enable them to become familiar with application requirements. Our 'Arrows Group' challenges students to aim high.
